Petition for Modification of an Existing :  
9-1-1 Emergency Telephone System :

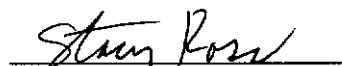

STAFF'S ANSWER TO THE PETITION

Now comes the Staff of the Illinois Commerce Commission (Staff) and in support of its Answer to the Village of Schaumburg's Petition for Modification of an Existing 9-1-1 Emergency Telephone System, states the following:

1. The Village of Schaumburg received an order to operate its Enhanced 9-1-1 System from the Commission on November 7, 1990, in Docket 90-0325.
2. On February 14, 2007, the Village of Schaumburg filed a Petition for Modification of Existing 9-1-1 Emergency Telephone System in which it requests to dismiss the authority to operate an E9-1-1 system granted in Docket 90-0325 due to the fact that the Village of Schaumburg intends to join the Northwest Central 9-1-1 system. The Village of Schaumburg has passed a corporate resolution indicating their desire to abandon their existing 9-1-1 dispatch system and to incorporate said system into the Northwest Central 9-1-1 System.
3. The Village of Schaumburg also passed a corporate resolution rescinding the authority of the Schaumburg Emergency Telephone System Board (ETSB) and has entered into an intergovernmental agreement with the Northwest Central 9-1-1 System to create a joint ETSB pursuant to 50 ILCS Act 750 Sec. 15.4.
4. Northwest Central 9-1-1 System received an order to operate its enhanced 9-1-1 system from the Commission on March 24, 1993, in Docket 91-0107.
5. On February 14, 2007, in Docket 07-0126, Northwest Central 9-1-1 System filed a petition for approval to incorporate the Village of Schaumburg into its 9-1-1 system upon receipt of a Final Order from this Commission.
6. Staff has thoroughly reviewed the Village of Schaumburg's Petition for Modification of an existing 9-1-1 emergency telephone system and supports the petitioners' request for modification. The dismissal of Schaumburg's authority should be contingent upon Northwest Central 9-1-1 System's request for Commission approval allowing the Village of Schaumburg to join Northwest Central 9-1-1 System in

Docket 07-0126. In addition, Staff supports waiving a hearing in this docket as there are no contested issues.
